

## Internet Resources for Technology Education

Title	Description	URL	Category
Sites for Teachers	Educational web sites list.	<a href="http://www.sitesforteachers.com">http://www.sitesforteachers.com</a>	All Categories
Florida Department of Education: Workforce Education – Technology Education	Includes a listing of student and teacher technology organizations as well as standards based curricular materials. You can also find the latest issue of TechFlash, Florida Technology Education's electronic newsletter.	<a href="http://www.fldoe.org/workforce/programs/te_home.asp">http://www.fldoe.org/workforce/programs/te_home.asp</a>	Association
Florida Technology Education Association	The Florida Technology Education Association is an organization devoted to promoting the development and advancement of Technology Education in the State of Florida.	<a href="http://www.ftea.com">http://www.ftea.com</a>	Association
ITEA	International Technology Education Association is the international professional association for Technology Education teachers. ITEA membership puts valuable resources at your fingertips – classroom proven tips and activities, on-trend issues and research, plus unlimited searches of Online Library.	<a href="http://www.iteaconnect.org/">http://www.iteaconnect.org/</a>	Association
M-DCPS Technology Education website Organizations List	A listing of student and teacher organizations with a focus on technology education. Site includes information on but is not limited to TSA, ITEA, FTEA and FACTE.	<a href="http://teched.dadeschools.net/Organizations.htm">http://teched.dadeschools.net/Organizations.htm</a>	Association
Technology Student Association of Florida (FL-TSA)	Visit the FL-TSA website on a regular basis for valuable information on chapter affiliation, conferences, discussion forums, sponsors, board member and state officer links, etc.	<a href="http://www.floridatsa.com">http://www.floridatsa.com</a>	Association
Technology Student Association (TSA)	The Technology Student Association fosters personal growth, leadership, and opportunities in technology, innovation, design and engineering. Members apply and integrate science, technology, engineering and mathematics (STEM) concepts through co-curricular activities, competitive events and related programs.	<a href="http://www.tsaweb.org">http://www.tsaweb.org</a>	Association

## Internet Resources for Technology Education

Title	Description	URL	Category
Employ Florida's Banner Center of Excellence Career Academies	Career and industry certification information. Newsletters and best practices from Banner Centers around the State of Florida.	<a href="http://www.bannersecondary.com/">http://www.bannersecondary.com/</a>	Career Resource
Florida NEXT	Resource support material for career planning and research activities.	<a href="http://www.floridanext.com">http://www.floridanext.com</a>	Career Resource
M-DCPS Secondary School Reform	Resource for courses, career academies, career charts by academy, career links, etc.	<a href="http://ssr.dadeschools.net/">http://ssr.dadeschools.net/</a>	Career Resource
US Dept. of Labor Occupational Handbook	Occupational Outlook Handbook	<a href="http://www.bls.gov/OCO/">http://www.bls.gov/OCO/</a>	Career Resource
Florida Ready to Work Industry Certification	Florida Ready to Work is a new employee credentialing program that tests – and scores – job skills and work habits.	<a href="http://www.floridareadytowork.com">http://www.floridareadytowork.com</a>	Certification - Industry
Florida State Fair	Florida State Fair contest and rules website. State Fair is held in February, projects from Miami-Dade Technology Education teachers are transported to the fair in January. Contact Pamela Lopez 305-995-7301 for more information.	<a href="http://floridastatefair.com/content/view/19/47/">http://floridastatefair.com/content/view/19/47/</a>	Competition
Miami-Dade County Fair & Exposition	Fair contest rules, registration deadline and online registration for the Miami-Dade County Fair, March 26-April 12, 2009.	<a href="http://www.thefairexhibits.com">http://www.thefairexhibits.com</a>	Competition
Activity Learning Guides for Technology Education	A list of activity guides compiled and designed by Miami-Dade County's Office of Career and Technical Education / Technology Education Division. Activity guides cover a range of topics and include teacher resources to accompany the student instructions.	<a href="http://teched.dadeschools.net/Activity%20Learning%20Guides.htm">http://teched.dadeschools.net/Activity%20Learning%20Guides.htm</a>	Curriculum
Adobe Digital Kids Club	Activities and projects for use with Photoshop Elements, use of digital cameras, etc. Geared to middle school and younger.	<a href="http://www.adobe.com/education/digkids/index.html">http://www.adobe.com/education/digkids/index.html</a>	Curriculum
Adobe Software Curriculum Resources	Free instructional yearlong, project-based curriculum, lesson plans and activities for Adobe Creative Suite software programs.	<a href="http://www.adobe.com/education/resources/k12/instructional/">http://www.adobe.com/education/resources/k12/instructional/</a>	Curriculum

## Internet Resources for Technology Education

Title	Description	URL	Category
Aeronautics Learning Laboratory for Science Technology, and Research (ALLSTAR) Network	Curricular materials for teaching the history of aviation, aerospace careers and principles of aeronautics. All materials are leveled so that it may be used in middle school through undergraduate level classes.	<a href="http://www.allstar.fiu.edu/">http://www.allstar.fiu.edu/</a>	Curriculum
Architectural resources	Variety of websites related mostly to architecture and technology found by Technology Education teacher Carmen Garcia.	<a href="http://clgarcia.net/Resourcesre-make.html">http://clgarcia.net/Resourcesre-make.html</a>	Curriculum
ASEE Engineering K-12 Center	Keep up to date on the latest K-12 Engineering new in the ASEE blog. Search the Outreach database for summer opportunities for you and your students. Encourage your students to peruse the student version of this site for information on careers in engineering and the colleges that will help them prepare for those jobs.	<a href="http://www.engineeringk12.org/educators/default.php">http://www.engineeringk12.org/educators/default.php</a>	Curriculum
Black and Decker: Project Center	Find tips for woodworking, building a deck and completing other projects around the home.	<a href="http://www.blackanddecker.com/ProjectCenter/">http://www.blackanddecker.com/ProjectCenter/</a>	Curriculum
Build it Solar	Plans, tools and information to do renewable energy and conservation projects. Hundreds of projects -- from changing a light bulb to building a solar home.	<a href="http://www.builditsolar.com">http://www.builditsolar.com</a>	Curriculum
Building Big	Main website for the PBS series "Building Big." Includes lessons for building bridges, domes, skyscrapers, dams and tunnels with related teacher guides and outside resources.	<a href="http://www.pbs.org/wgbh/buildingbig/index.html">http://www.pbs.org/wgbh/buildingbig/index.html</a>	Curriculum
Career Connections	Complete lesson units for All Programs program areas. Curriculum projects and FCAT enhancement	<a href="http://www.career-connection.org/CTE_projects.cfm">http://www.career-connection.org/CTE_projects.cfm</a>	Curriculum

## Internet Resources for Technology Education

Title	Description	URL	Category
CNCZone.com – The Ultimate Machinist Community	CNCZone.com is a wonderful community of hobby and professional CNC users. From the home page, click on Forums in the upper left hand corner to access specific forums for a variety of CNC machines, hobby applications and even a forum just for teachers.	<a href="http://www.cnczone.com/">http://www.cnczone.com/</a>	Curriculum
Delta - Tips and Techniques	List of video clips with tips and techniques using project based woodworking tools.	<a href="http://www.deltaportercable.com/Library/Library.aspx">http://www.deltaportercable.com/Library/Library.aspx</a>	Curriculum
Discovery Channel	Teaching resources for technology, math, science activities, and lesson plans.	<a href="http://school.discoveryeducation.com/">http://school.discoveryeducation.com/</a>	Curriculum
Florida School Book Depository	Browse the online catalog to find those textbooks that have been adopted for your course for this school year.	<a href="http://www.fsbdb.com/">http://www.fsbdb.com/</a>	Curriculum
Flying Pig: Mechanisms	Illustrates and explains the purpose of various mechanisms and includes information on creating paper animations using these mechanisms.	<a href="http://www.flying-pig.co.uk/pages/link3.htm">http://www.flying-pig.co.uk/pages/link3.htm</a>	Curriculum
Frameworks for Technology Education Programs	Standards-based frameworks for all courses in Technology Education.	<a href="http://www.fldoe.org/workforce/dwdframe/stem_cluster_frame08.asp">http://www.fldoe.org/workforce/dwdframe/stem_cluster_frame08.asp</a>	Curriculum
Gears-Educational Systems Curriculum	Curriculum covering pneumatics, fundamental physics, geometry and fixed DC motors. This curriculum is intended to be used with the Gears-ED System but may be useful independently of the prototyping system.	<a href="http://www.gearseds.com/curriculum/learn/toc.php">http://www.gearseds.com/curriculum/learn/toc.php</a>	Curriculum
Girls GO Tech	A website created by the Girl Scouts of America to encourage young women to pursue careers in engineering and technology. Website includes information on careers, games and other resources for young women, parents and teachers.	<a href="http://www.girlsgotech.org">http://www.girlsgotech.org</a>	Curriculum and Career Resource

## Internet Resources for Technology Education

Title	Description	URL	Category
Manufacturing Websites	A collection of short 1-2 minute animations of manufacturing processes. Check that the animations/videos you want to show are functional before attempting to use them with a class	<a href="http://www.me.gatech.edu/ionathan.colton/me4210/mfgvideos.html">http://www.me.gatech.edu/ionathan.colton/me4210/mfgvideos.html</a>	Curriculum
Mastercam	Resources for teachers of Mastercam software, projects, tips, etc.	<a href="http://www.mastercam.com/teachersStudents/">http://www.mastercam.com/teachersStudents/</a>	Curriculum
Measure It!	Make measurement drills fun with this series of measurement games from Fun Brain. Have a high score contest in your class. Games are available at various levels for both inches and centimeters.	<a href="http://www.funbrain.com/measure/index.html">http://www.funbrain.com/measure/index.html</a>	Curriculum
NASA	Hundreds of links for science and technology, NASA calendar, NASA kids, etc.	<a href="http://www.nasa.gov">http://www.nasa.gov</a>	Curriculum
NASA Beginner's Guide to Aeronautics	A web based "textbook" of aeronautic topics created by NASA. The topics covered include but are not limited to: Beginner's Guide to Aerodynamics, Beginner's Guide to Propulsion, NASA's Guide to Hypersonics, Beginner's Guide to Compressible Aerodynamics, Beginner's Guide to Model Rockets and Beginner's Guide to Kites. Each topic includes relevant math and science fundamentals in addition to virtual simulators and information on the topic.	<a href="http://www.grc.nasa.gov/WWW/K-12/airplane/guided.htm">http://www.grc.nasa.gov/WWW/K-12/airplane/guided.htm</a>	Curriculum
NASA Educators Web Site	A rich collection of lessons, information, podcasts and educational programs aimed at classroom teachers from K-12. Although a strong emphasis is placed on aeronautic focused lessons, information can be found on a wide variety of engineering and technology education topics.	<a href="http://www.nasa.gov/audience/foreducators/index.html">http://www.nasa.gov/audience/foreducators/index.html</a>	Curriculum
PowerUp the Game	Engineering game.	<a href="http://www.powerupthegame.org">http://www.powerupthegame.org</a>	Curriculum
Rhino Training Classes	A listing of free training courses offered for teachers in the Miami-Dade County area.	<a href="http://www2.mcneel.com/training/results_by_title.asp?ProductID=1&amp;SiteID=&amp;ClassID=&amp;CountryID=&amp;StateID=&amp;DeliveryFormatID=&amp;LanguageID=&amp;MarketSegmentID=&amp;SiteOffersCustomTraining=-1&amp;SiteOffersFreeEduTraining=1&amp;show_by=class">http://www2.mcneel.com/training/results_by_title.asp?ProductID=1&amp;SiteID=&amp;ClassID=&amp;CountryID=&amp;StateID=&amp;DeliveryFormatID=&amp;LanguageID=&amp;MarketSegmentID=&amp;SiteOffersCustomTraining=-1&amp;SiteOffersFreeEduTraining=1&amp;show_by=class</a>	Curriculum

Title	Description	URL	Category
Rubistar Rubrics	Want to make exemplary rubrics in a short amount of time? Try Rubistar.	<a href="http://rubistar.4teachers.org/index.php">http://rubistar.4teachers.org/index.php</a>	Curriculum
Scholastic	Teaching resources for technology, math, science activities, plus free website. Geared to Middle School and younger. Good resource for current events and historical research, such as "Women's History Month," Olympics, etc.	<a href="http://www2.scholastic.com/browse/home.jsp">http://www2.scholastic.com/browse/home.jsp</a>	Curriculum
The Greenhouse: Solar Car Design Process	These Curricular Resources-- Concept Illustrations, Lesson Plans were conceived and begun during a three-week workshop for High School Teachers at National Science Foundation's Graphics and Visualization Center. Resource for teachers in any discipline who wish to use 3D computer graphics.	<a href="http://www.cs.brown.edu/stc/otrea/greenhouse/home.html">http://www.cs.brown.edu/stc/otrea/greenhouse/home.html</a>	Curriculum
Solidworks Education References	Link for Solidworks teachers only with curriculum material including drawings for providing instruction in SolidWorks and CosmosWorks independently as well as as part of basswood bridge, CO2 card or Gears Trebuchet projects.	<a href="https://www.solidworks.com/pages/services/subscription/EDU_References/EDU_Resources.html">https://www.solidworks.com/pages/services/subscription/EDU_References/EDU_Resources.html</a>	Curriculum
Teach Engineering: Resources for K-12	Engineering related (including aviation) lesson plans and units separated by topic including a limited number of online labs for students to complete.	<a href="http://www.teachengineering.com/">http://www.teachengineering.com/</a>	Curriculum
Teaching RobotC for Innovation First Vex Robots	An introductory curriculum for programming Vex Robots using RobotC. Guides users from creating simple programs, robot navigation using dead reckoning and smart navigation using sensors.	<a href="http://www.robotc.net/vex_full/">http://www.robotc.net/vex_full/</a>	Curriculum
Technology Education curriculum models and guides developed by CATTS	Curriculum model course guides, guide to assessment (rubrics, portfolios, etc.), technological literacy and frameworks guides. Exceptional guides for beginning and experienced teachers.	<a href="http://data.fldoe.org/catts/">http://data.fldoe.org/catts/</a>	Curriculum

## Internet Resources for Technology Education

Title	Description	URL	Category
The Ruler Game	Game where the students can learn to read the ruler.	<a href="http://www.rickyspears.com/rulergame">http://www.rickyspears.com/rulergame</a>	Curriculum
TryEngineering	Resource for students, parents, and teachers in regards to engineering with career information, lesson plans, etc.	<a href="http://www.tryengineering.com">http://www.tryengineering.com</a>	Curriculum
West Point Bridge	Download free bridge building software. Build and test bridge design. Link to National Bridge Building competition from this site.	<a href="http://bridgecontest.usma.edu/download.htm">http://bridgecontest.usma.edu/download.htm</a>	Curriculum
Career Choices Educator's Toolkit	This Toolkit provides easy access to Career Choices' classroom activities, lesson plans, and related web-based resources for those teachers teaching the middle school Career & Academic Planning course.	<a href="http://www.fldoe.org/workforce/ced/">http://www.fldoe.org/workforce/ced/</a>	Curriculum
ITEA WomenTech Portal	The ITEA WomenTech Portal brings educators resources for increasing the number of women and girls in the technology classroom.	<a href="http://www.iteaconnect.org/Resources/womentechportal.htm">http://www.iteaconnect.org/Resources/womentechportal.htm</a>	Program Recruitment
Florida Student Scholarship & Grant Programs	Grants and scholarships Programs through the Florida Department of Education.	<a href="http://www.fldoe.org/families/financial.asp">http://www.fldoe.org/families/financial.asp</a>	Scholarship
Florida Student Scholarship & Grant Programs	Information on the Florida Bright Futures Scholarship Program including the Florida Gold Seal Vocational Scholarship Program.	<a href="http://www.floridastudentfinancialaid.org/ssfad/factsheets/BF.htm">http://www.floridastudentfinancialaid.org/ssfad/factsheets/BF.htm</a>	Scholarship
AutoDesk: Student Engineering and Design Community	Portal for AutoDesk educational resources. Site includes curriculum, user groups and download pages for All Programs of AutoDesks popular products including AutoCad, Civil 3D, Innovation, Revit, 3D Studio Max and more. Students can be invited to join the community by instructors thereby allowing them to download the software for use at home.	<a href="http://students4.autodesk.com/">http://students4.autodesk.com/</a>	Software
FrontPage in the Classroom	Web designing tutorial for Microsoft FrontPage software.	<a href="http://www.actden.com/fp/">http://www.actden.com/fp/</a>	Software
Microsoft Education online Tutorials	Tutorials for Microsoft software programs, including MS Office, etc.	<a href="http://www.microsoft.com/education/?ID=OnlineTutorials">http://www.microsoft.com/education/?ID=OnlineTutorials</a>	Software

## Internet Resources for Technology Education

Title	Description	URL	Category
SpaceCad	Aerospace rocketry software. If you design and build your own model rockets, you have to make sure that they will fly straight when launched. That's not an easy task - and that's why SpaceCAD was invented. SpaceCAD ensures the safe flight and return of your model rocket, by predicting its stability.	<a href="http://www.spacecad.com">http://www.spacecad.com</a>	Software
AD-BADGE	Button making supplies vendor.	<a href="http://www.ad-badge.com">http://www.ad-badge.com</a>	Vendor
B & H Photo	Audio-visual and photographic equipment.	<a href="http://www.Bhphotovideo.com">http://www.Bhphotovideo.com</a>	Vendor
Badger Graphic Sales	Vendor for graphic arts equipment and supplies: silk screen printing, bindery - folding equipment, padding compounds, etc.	<a href="http://www.badgergraphic.com">http://www.badgergraphic.com</a>	Vendor
Brodhead Garrett	Vendor for equipment, tools and supplies for All Programs program areas of Technology Education.	<a href="http://www.brodheadgarrett.com">http://www.brodheadgarrett.com</a>	Vendor
Centre Pointe Learning, Inc.	Vendor for textbooks and instructional materials for Technological Literacy.	<a href="http://www.cplearning.com">http://www.cplearning.com</a>	Vendor
DEPCO, LLC	Technology supplies vendor for Depco Learning Module Labs	<a href="http://www.depcoinc.com">http://www.depcoinc.com</a>	Vendor
E & T Plastics	Technology supplies vendor of plastics, adhesives and tools.	<a href="http://www.e-tplastics.com">http://www.e-tplastics.com</a>	Vendor
Equipment Lists at Brodhead Garrett	Resource for suggested tools, equipment, fixtures, etc. for Technology Education labs.	<a href="http://www.brodheadgarrett.com/resources.jsp">http://www.brodheadgarrett.com/resources.jsp</a>	Vendor
GBC	Technology supplies vendor for laminating, bindery, etc.	<a href="http://www.gbc.com">http://www.gbc.com</a>	Vendor
Gears Educational Systems, LLC	Vendor for robotics kits and supplies.	<a href="http://www.gearseds.com">http://www.gearseds.com</a>	Vendor
Glencoe	Textbook vendor.	<a href="http://www.glencoe.com">http://www.glencoe.com</a>	Vendor
Goodheart - Wilcox	Textbook vendor.	<a href="http://www.g-w.com/products/browse_subject.asp?id=22">http://www.g-w.com/products/browse_subject.asp?id=22</a>	Vendor
Grainger	Vendor for woodworking, metalworking, engineering, power tools, etc.	<a href="http://www.grainger.com">http://www.grainger.com</a>	Vendor

## Internet Resources for Technology Education

Title	Description	URL	Category
Gravograph	Technology supplies vendor for engraving, signmaking, etc.	<a href="http://www.gravograph.com/usa/">http://www.gravograph.com/usa/</a>	Vendor
Hearlihy	Vendor for Technology Education supplies. Site contains activity ideas and lesson plans to accompany company's products.	<a href="http://www.hearlihy.com">http://www.hearlihy.com</a>	Vendor
Home Planner	3D home kit. Great resource for Drafting Technology teachers.	<a href="http://www.homeplanner.com/education">http://www.homeplanner.com/education</a>	Vendor
Iasco	Vendor for technology supplies and kits for all program areas.	<a href="http://www.iasco-tesco.com">http://www.iasco-tesco.com</a>	Vendor
Kelvin	Project based supplies vendor, particularly electronics, etc.	<a href="http://www.kelvin.com">http://www.kelvin.com</a>	Vendor
Labvolt	Project based supplies vendor for Labvolt modular labs, with resources for other program areas, as well.	<a href="http://www.labvolt.com">http://www.labvolt.com</a>	Vendor
Laserbits	Laser Engraving tools and materials.	<a href="http://www.laserbits.com">http://www.laserbits.com</a>	Vendor
Midwest Technology	Vendor for Technology Education tools and materials. Abundance of products for all program areas.	<a href="http://www.midwesttechnology.com/">http://www.midwesttechnology.com/</a>	Vendor
Modern School Supplies	Technology Education supplies vendor for all program areas.	<a href="http://www.modernss.com">http://www.modernss.com</a>	Vendor
Paxton/Patterson	Technology supplies vendor, modular learning, woodworking tools, equipment, etc.	<a href="http://www.paxtonpatterson.com">http://www.paxtonpatterson.com</a>	Vendor
Pitsco	Project based curriculum kits and supplies for: Rocketry, CO2 cars, drafting, graphic arts, balsa woodworking, robotics, etc.	<a href="http://www.pitsco.com">http://www.pitsco.com</a>	Vendor
Printa	Screen Printing equipment and supplies.	<a href="http://www.printa.com">http://www.printa.com</a>	Vendor
Stahls	Vendor of heat presses and embroidery machine and supplies.	<a href="http://www.stahls.com">http://www.stahls.com</a>	Vendor
The Infinity Project	Vendor for Engineering curriculum	<a href="http://www.infinity-project.org">http://www.infinity-project.org</a>	Vendor
The Robot Marketplace	Vendor for Robotics and Radio Control kits, parts and supplies.	<a href="http://www.robotmarketplace.com/store.html">http://www.robotmarketplace.com/store.html</a>	Vendor
Valley Litho	Vendor for graphic arts equipment and supplies: silk screen printing, bindery equipment, photography, padding compounds, etc.	<a href="http://www.valleylitho.com/">http://www.valleylitho.com/</a>	Vendor
